McAfee Sustaining Scholarship

The Sustaining scholarship program is designed for students who have completed one year (24 credit hours or more) at McAfee School of Theology by the scholarship application deadline (June 1) and are not currently receiving a merit-based scholarship. Recipients must enroll as full-time students and remain enrolled full-time to receive the Sustaining Scholarship. Recipients must maintain Academic Requirements in place for all students receiving merit based aid.

**Sustaining Scholarship Application Requirements and Instructions:**

- Earned minimum average **GPA of 3.25** or above in coursework at McAfee
- Registered as a **full-time** student for the following semester
- Submit the application to the admissions office by **June 1**
- Submit a paper, essay, or sermon attached to the application. This writing sample can be a paper from McAfee coursework and be between 2000 and 4000 words long. It must not be longer than 8 double-spaced pages and should follow the McAfee Style guide
- Recipients will be notified by July 1
- Scholarship awards may range from 50% to 100% tuition for the remainder of full-time study at McAfee

The McAfee School of Theology Sustaining Scholarship may only be applied to coursework for degrees awarded by McAfee
