****Courses taken through the Eugene W. Stetson School of Business & Economics.** Students who have demonstrated prior completion of one or more of the MBA core courses listed above may request substitute electives with the approval of the Associate Dean of the Stetson School of Business & Economics.

** **Eligibility:** This track requires demonstrated completion of nine hours of Foundation courses either from the Stetson School of Business & Economics, by examination, or by undergraduate/graduate study transcript evaluation. The Associate Dean of the Stetson School of Business & Economics must evaluate the student's transcript before they are eligible to enter this track. In some cases, a current GMAT score may be required. The prerequisite

Foundation courses include BAA 505 “Foundations of Macro and Microeconomics,” BAA 510 “Foundations of Accounting and Finance,” and BAA 515 “Foundations of Management and Marketing.”

Note: The M.B.A. requires twelve (12) hours of elective credit. One International elective course is required (3 hours). Two elective courses for a total of six (6) hours may be credited from the M.Div. degree. The fourth elective course must be chosen from the M.B.A. elective offerings.
